BUYING GUIDE

CONTAINER BUYING CHECKLIST

Tick each item before ordering, at contract stage, before delivery and at handover.

1 BEFORE ORDERING

- [ ] Purpose, number of people or items, and period of use are clear
- [ ] Site size and clearances have been measured
- [ ] Unit size and condition have been chosen
- [ ] Renting and buying have been compared
- [ ] Facilities listed: doors, windows, AC, power, water, partitions

2 QUOTE & CONTRACT

- [ ] The quote itemises the unit, conversion, delivery and installation
- [ ] Materials are clear: walls, floor, insulation, anti-rust paint
- [ ] Working drawings approved in writing
- [ ] Production and delivery schedule in writing
- [ ] Payment terms and warranty in writing

3 BEFORE DELIVERY

- [ ] Road access is wide enough for the truck and crane
- [ ] Ground is level and the base is ready
- [ ] Power and water connections on site are prepared
- [ ] Someone responsible is on site when the unit arrives

4 AT HANDOVER

- [ ] Size, colour and openings match the working drawings
- [ ] Doors, windows and locks work properly
- [ ] Power tested: lights, sockets, AC, MCB
- [ ] No leaks, dents or peeling paint
- [ ] Warranty document and maintenance guide received
